Dear Sir:

Please be advised that USCIS has approved your Form I-485, application to register permanent residence or adjust status. You now hold the status of an alien lawfully admitted for permanent residence. This letter should not be regarded as proof of status. You are being processed for a Form I-551 permanent resident card, which will be mailed to you at the above address within the next few months. If you move from that address prior to receiving the card, please notify this office by mail of your new address. If you require proof of your status in order to travel, accept employment or other reason, you may come in to one of our offices for a temporary stamp. You will need to make an INFOPASS appointment through our website at <http://infopass.uscis.gov> to see an immigration officer. Bring this letter and your passport with you on the day of your scheduled appointment.

Sincerely,

A handwritten signature in black ink, appearing to read "Martha Medina".
