- All travellers must have a valid passport for international travel and many countries require at least 6 months validity from the date of return and some countries require a machine-readable passport. When assisting with an international travel booking, we will assume that all travellers on the booking have a valid Australian passport. If this is not the case, you must let us know. It is important that you ensure that you have valid passports, visas and re-entry permits which meet the requirements of immigration and other government authorities.
