- You must supply the carrier with your contact details prior to and whilst at your destination.
- All travellers must have a valid passport for international travel and many countries require at least 6 months validity from the date of return and some countries require a machine-readable passport. When assisting with an international travel booking, we will assume that all travellers on the booking have a valid Australian passport. If this is not the case, you must let us know. It is important that you ensure that you have valid passports, visas and re-entry permits which meet the requirements of immigration and other government authorities. You will be required to provide your full passport details, prior to the booking being finalised. Failing to do may forfeit your booking or the airline may deny boarding at the airport. Any fines, penalties, payments or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility (except to the extent caused by fault on our part). If you need information regarding visas, passports and other travel document requirements for your trip, please let your consultant know.
- If you are travelling to the United States please see <https://esta.cbp.dhs.gov> for important information regarding compulsory pre-registration for their visa waiver program ('ESTA'). Australian passport holders will not be able to enter the United States without a valid ESTA (or visa). Please note, you may not meet the eligibility requirements of ESTA and may be required to obtain a visa.
- We recommend that you contact the Department of Foreign Affairs and Trade or visit their website at www.smarttraveller.gov.au for general travel advice, as well as specific advice (including safety alert levels) relating to the destination you wish to visit. You can also register your travel plans with DFAT, so that you may be more easily contacted in an emergency.
- Please liaise with your consultant regarding any special requirements you may have for your travel arrangements such as special meal and seating requests, room type or disabled access.
- We recommend that you contact the carrier at least 24 hours prior to each journey to reconfirm flight times and schedules. Airlines have the right to change flight times and dates without notice

- If you do not fly and do not notify the airline at least 24 hours prior to the flight's scheduled departure time, you will forfeit the fare paid.
- For conditions of carriage on your chosen airline, please contact your consultant.
- Many fare types do not accrue frequent flyer points. Please check with your consultant on your fare type and if points can be accrued.
- For details of the baggage allowances applicable for your class of service and your chosen carrier please contact your consultant or the airline direct.
- You may incur a charge for the carriage of baggage in excess of the carrier's free baggage allowance. Please contact the carrier for more information.
- All tickets have restrictions and limitations regarding validity. Please check with your consultant for further details
- All prices are subject to availability and can be withdrawn or varied without notice. The price is only guaranteed once paid for in full by you. Please note that prices quoted are subject to change. Price changes may occur by reason of matters outside our control which increase the cost of the product or service. Such factors include adverse currency fluctuations, fuel surcharges, taxes and airfare increases. Please contact your consultant for up-to-date prices. Airfare taxes are subject to change and are confirmed at time of ticketing. There may also be a local tax charged at some airports.
- Most airfares are non-refundable. Any applicable credits for unused flights are valid for 12 month from date of original departure
- Flight changes may be permitted (subject to availability), if requested at least 24 hours prior to your flights scheduled departure time. Charges will apply in accordance with our booking terms and conditions.
- If travel has commenced and ticket requires reissue, airlines may charge additional fees and taxes.
- A change fee will apply plus any applicable fare difference in accordance with our and the airline's booking terms and conditions. For full conditions of carriage for your chosen airline please ask your consultant.
- A cancellation fee applies for all airfare refunds in accordance with our booking terms and conditions, in addition to any airline cancellation charges.
