Re: Engagement Letter

Dear Vivian:

Thank you for choosing Symple. This letter summarizes our upcoming engagement.

Our services in this engagement will consist of preparing an application for your naturalization as a U.S. citizen.

For our services, we will charge an hourly rate of \$500 USD for all work and consultations performed by principal Marcel Oliveira. That includes any consultations via email, text message, or phone, as well as any work performed on the application itself.

We anticipate we will bill one (1) hour, or \$500, to complete and submit the entire application itself. However, should you choose, we can provide additional services for additional billable hours, such as phone or email consultations, civic exam tips and preparation, and any other services you need. We will let you know in advance before incurring any billable hours beyond the budgeted (1) hour of work.

Please note that our hourly rate does not cover any out-of-pocket costs you may want us to incur on your behalf. There will be at least one out-of-pocket cost you will have to incur: the filing fee for the naturalization application, which is \$760. There may also be other out-of-pocket costs you may choose to incur, such as FedEx shipping charges (if you would like any packages tracked), translation fees, costs for certified copies, or other additional/optional items. We will bill for out-of-pocket costs separately and in advance: we cannot cover out-of-pocket costs up front.

We will invoice you as follows:

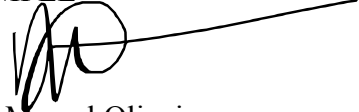

1. To start the project, a deposit of \$500, to cover the anticipated one (1) hour of billable services; then
2. Before we incur any out-of-pocket costs, the total for those costs; then

3. On a monthly basis, the total in billable hours for any extra services you chose to procure that month, if any.

Thank you for your trust and your business. We look forward to taking your business to the next level by making things Symple.

Sincerely,

SYMPLE
