Re: N-400 Naturalization Application  
Initial Questionnaire

Vivian:

Below please find your questionnaire for naturalization application. Some questions will ask for supporting documents. To make things easier, we have created [an online form](#) for you, if you'd prefer to use it.

**Please note:** if you do not have all answers, or all documents, that is not a problem. Just provide what you have: some answers are helpful, but not strictly required.

**Information Requested**

- What is your current physical address? (Street Address, City, State/Province, Postal Zone/ZIP Code, Country)
- Date of residence: From (mm/dd/yyyy).
- Any other citizenships? If yes, please list.
- Please list every country that you have visited in the past 5 years, along with the dates you arrived and departed the countries (excluding the United States).
- What is your marital status? (Single, Married, Divorced, Widowed, Separated, Marriage Annulled)
- For your current or prior spouse, please provide: legal name, date of birth, present physical address, present employer, and date marriage started (and ended if divorced or annulled).

**Documents Requested**

- Your latest resume, even if outdated
- A copy of the 1040 (should be the first two pages) of the last federal tax return you filed
- A picture or scan of the bio (picture) page of your latest passport.

- A picture or scan of your latest green card (front and back would be ideal).

Thanks in advance. If you have any questions, please let us know.

Sincerely,

A handwritten signature in black ink, appearing to be 'MO' followed by a long horizontal stroke.
