The business credit card carried a balance of \$3,150.00. The company's vehicle loan with Steinway Savings Bank, originally financed in December 2022 for the purchase of the company's flatbed work truck, carried a remaining balance of \$12,712.77 as of December 31, 2024, with the final twelve monthly payments due to retire the loan in full by the end of 2025.
